

No Smoking/Vaping Policy

EYFS: 3.56

Smoking/vaping has proved to be a health risk and therefore in accordance with legislation, the nursery operates a strict no smoking/vaping policy within its buildings and grounds. It is illegal to smoke/vape in enclosed places. ALL persons must abstain from smoking/vaping while on the premises.

Staff accompanying children outside the nursery are not permitted to smoke/vape. We also request that parents accompanying nursery children on outings refrain from smoking/vaping while caring for the children.

Staff and students who smell of cigarette/vape smoke will be asked to change. Therefore, if you are likely to smoke/vape during breaks please bring a fresh top to change into afterwards.

This policy also applies to electronic cigarettes.
