

# **No Smoking/Vaping Policy**

In accordance with legislation, the nursery operates a strict no smoking or vaping policy within its buildings and grounds. Smoking/vaping is a health risk and it is illegal to smoke/vape in enclosed places. ALL persons must abstain from smoking/vaping while on the premises.

Staff accompanying children outside the nursery are not permitted to smoke/vape. We also request that parents accompanying nursery children on outings refrain from smoking/vaping while caring for the children.

Staff and students who smell of cigarette/vape smoke will be asked to change before they are in contact with the children. If you are likely to smoke/vape during breaks please bring fresh clothes to change into before returning to the floor.

This policy applies to all tobacco, vaping and electronic cigarette devices.
